

La Harpe Community School District #347

SCHOOL BOARD News Release –October 2011

The La Harpe School Board held a regular meeting on October 18, 2011 in the District library. In addition to regular monthly business items, the Board received an October Health Life Safety Project Update (which may be viewed on the District website) and toured the many construction areas viewing current progress. The Board reviewed bus size and lease recommendations for La Harpe 2012-2015 bus routes, examined the Annual Financial Report, obligated funds for technology and textbook purchases, and viewed new remote controls for the school's interactive white boards. The Board went over IASB Resolutions and the annual Administrative Compensation Report, established a part-time custodial position, and retained Karen Nudd to provide school district treasurer services.
