### Notes from Mrs. Hitz and Mrs. Palmer:

GOOD NEWS! Mrs. Palmer has joined us in third grade. We are so happy to have her in the room and partnering with me to help your child complete third grade. As you know, ISAT is coming around the corner and we are working hard to do our best on these important assessments. As mentioned previously, school attendance is very important. Some aspects of your child's learning experiences can not be "made up" later. Many learning opportunities are not presented on paper. Thanks for encouraging your child to do their best while at school.

Since Valentine's Day is around the corner, a list of students is included in this newsletter.
