

# IMPORTANT MESSAGE

Dear Parents,

We are seeing an increase in the number of cars picking up children that are parking in the west parking lot at the end of the school day. This is creating traffic problems and is becoming a very DANGEROUS situation. This is just a reminder that all vehicles picking up students are to wait in the car line that forms in the ballpark/swimming pool area. If everyone takes their turn, we can efficiently load the students in five to ten minutes. Starting February 17th, Wednesday, ALL STUDENTS (including Junior High students), are to be picked up in the car line. Junior High students will be instructed to wait at the boys locker room door, as well as the elementary students. If your child is not in the pick-up area when it is your turn to drive through, you will be instructed to drive around to the end of the line. There is no "park and wait" allowed. If you want to come in the building to pick up your student, you can continue to park in the north parking lot and meet your child in the lobby.

I am sure that NO ONE wants to see any kind of accident occur, especially an accident involving a student getting hit. PLEASE follow these rules.

We are doing this for the safety of the children. If everyone follows the procedure, then we will not have traffic jams during pick-up time. Thanks for your help!

Lila McKeown, Principal

**KEEP THE  
KIDS SAFE!**
